Second Chance Promotion
IBM Center for Cloud Training

The Second Chance promotion is exactly what it sounds like – an opportunity to retake your IBM Cloud certification exam for free.

Take a "second chance" for certification success. If you have already taken an IBM Cloud exam and didn't pass, retake the same exam for free using the promotion code.

Here's how to use the Second Chance promotion code:

1. Sign in to your Pearson VUE account and register for the same IBM Cloud exam* that you previously didn't pass.

2. Checkout using this promotion code to retake the same exam for free: **ICCTSecondChance.**

Get a
SECOND CHANCE

Get your award-winning IBM Cloud certification now!

Certifications and badges are available across three levels of expertise (Associate, Professional, Advanced). In-demand specialty training is also available for the most sought-after areas of IBM Cloud computing such as Security and DevSecOps — with new certification programs being introduced regularly.

Second Chance terms and conditions

* The promotion code is only valid for the most recent version of the IBM Cloud certification exams.

Both the first exam and the free retake exam attempts must be taken with Pearson VUE (via a Pearson VUE Authorized Test Center or OnVUE online test delivery). Candidates can only take an exam two times within a 30-day period.
